

SCAN to USB KEY on COPIER

SCAN>USB

black/color A4/A3

Warning: not all USB keys are recognized (neither partition nor .exe)

Login : place your pass campus card or COREP card on the card reader or enter your Unistra or Bnu ID on the copier dashboard

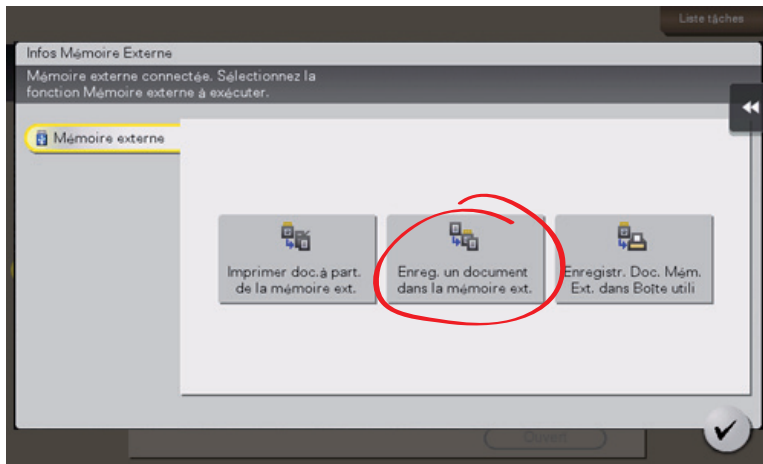

1

Insert your USB or hard disk key in the copier usb socket

Wait a few moments for this window to appear...

2

If the window does not appear, click on the small usb icon

Select "Enreg. un document dans la mémoire ext." (save a document in the external memory)

3

Place your documents on the glass or in the feeder.

4

Press the "Start" button for each document to be printed.

The files are scanned and sent to your USB key.

Log out at the end of use by clicking on the red button on the cPad or by rebadging your card
